Art and History Tours

Birding Tour

During this Half Day of Birdwatching your knowledgeable guide will show you the best of St Maarten/ St Martin's fresh & salt ponds and rocky and sandy coastlines for water, shore and land birds. Expect to see 25-35 different species.

History Tour

During this tour you'll visit Fort Amsterdam, Fort Louis, former plantation Emilio Wilson Park and more stunning viewpoints.

Your knowledgeable guide will tell you all about St Martin's natural and geological history and the people who've lived here over the centuries: Amerindians, explorers, settlers and slaves, and our current melting pot.

Hiking & Snorkel Tour

This Nature Tour is great for kids too, we will go wildlife watching at a wetland, do a 20 minute moderate hike up to Pic Paradis for great views and snorkel off a beach, usually Galisbay in Marigot. Nice all-round nature tour of St Martin.

The Art Tour visits 4 of the following well known St Martin artists at their gallery, studio or home: Tess Verheij, Max Phelipa, Sir Roland Richardson, Minguet, Dame Ruby Bute, Paul Elliott, Zdenka, Carla Templeton, and Francis Eck.
